# About **Forage**

---

Forage empowers educators to easily and instantly integrate project-based work (called Virtual Experience Programs) from Fortune 500 companies into their curriculums and internship programs for free. Millions of students globally undertake these Virtual Experience programs each year as part of their coursework.

---

In just

**10 minutes**

you can provide students access to skills and experience from **Fortune 500 companies.**

---

## FREQUENTLY ASKED QUESTIONS

### **How can I embed a program in my course?**

Simply visit **education.theforage.com** and register as an educator. You'll be set up and ready to go in 5 minutes.

### **What is the student experience?**

Students receive video guidance from actual employees and undertake tasks that closely mirror the day-to-day work at each Fortune 500 company. Upon completion, students receive a certificate of completion and guidance on how to add the experience to their resume and LinkedIn profile.

### **How do I see students' completions?**

We encourage you to utilize Forage as an assignment or project. Upon completion of a simulation, students will earn a unique certificate that can be uploaded directly into your LMS.

### **Can I create an assignment from this content?**

Yes, absolutely! We encourage you to create an assignment for your students to complete a job simulation on Forage. In many instances, educators require their students to complete a reflective exercise about their virtual experience.

### **Can I suggest additional employers that should have a virtual experience programs?**

Yes, we'd love to hear from you and so would employers. Email [education@theforage.com](mailto:education@theforage.com) to provide your suggestions on which employers we can showcase next!

### **Is it really free?**

Yes, it's really free! It is our mission to provide anyone, anywhere access to the skills and experience they need to meaningfully advance their career, for free.
