

Navigate360: Higher Ed's Leading Student CRM

Recruit, Retain, and Empower Students
in College and Beyond

Navigate360 is the leading student CRM for community colleges, a powerful technology that unites administrators, faculty, staff, and students in a collaborative network that supports the entire student experience, from recruitment to career. Navigate360 is powered by over a decade of student success research honed from billions of student interactions—and now, it's also amplified by AI.

Students want: So institutions need:

Personalized, caring communication

Easy access to data that follows students from recruitment to enrollment

Holistic support for pre-enrollment, academic and life decisions

Efficient staff workflows that free up time for student interaction

Help finding the right next step after graduation

Guided ways to explore career paths and meet potential employers
